

Land Remediation Workshop

Join Us!

Pittsburgh Region Clean Cities' unique StubHub Project is designed to explore the potential use of vacant lots as electric mobility hubs that might help to solve transportation insecurity challenges.

Please join us as we hear from vacant lot experts on where to start!

What You'll Learn:

- ✓ Introduction to Land Recycling in Pennsylvania
- ✓ Tips from Urban Farmers on Acquiring & Repurposing Vacant Lots
- ✓ Introduction to Electric Land Care Equipment

Event Details:

 August 26, 2025

 10 a.m. - 12 p.m.

 CCAC - West Hills Center
1000 McKee Road
Oakdale, PA 15071
